### The Connect Event!

On August 25th, eleven youth and three adults left bright and early at 7 p.m. to head to The Connect Event. This was the first huge youth trip that this church has had in longer than anyone seems to remember! Jaimey Bryant, Anders Webber, Jordan Brown, Jocelyn Woerner, Kaylee Mohler, Lilly Edwards, Teegan Duncan, Lauren Tietjen, Zak Corman, Dylan Edwards and Kayden Sheely, along with Bev Beavers, Leigh Ann Webber and Pastor Natalie stopped on the way for Dunkin Donuts at Hastings, arriving at Camp Comeca outside of Cozad, Nebraska by 10 a.m.

Once we arrived, we began with a get to know you game with over 50 other youth from the Great Plains Conference. After the game, we gathered in their worship center to worship God together in music with a praise team from a local church. Following music the youth all heard from our very

own Pastor Natalie, who was the guest speaker for the event. Following worship, we had a sloppy jo lunch.

After lunch, the kids got an opportunity to participate in a variety of camp activities such as: swimming, canoeing, rock wall climbing, prairie surfing, archery, and other various activities. After several hours of fun, we gathered back for closing worship, reminding the youth that as they begin the new school year, they are never alone, are connected to God, each other and the church. We then had a huge group photo and dinner before leaving to head home.

It was a great day connecting with one another, our relationship with God, and other youth from our conference. The

kids got to go at no cost thanks to Joline Allington's Memorial! Our youth look forward to upcoming trips for Conference events in the future, with the next planned for The One Event in Salina, Kansas, January 5th & 6th!

# Natalie's Notes

A few years ago, I remember one hectic day I was rushing to get to a Walk to Emmaus team training in Wichita and then in the afternoon I had a wedding to officiate in Hutchinson. So I packed a bag with clothes to wear for the wedding. I ran out of the house and got about 10 miles down the road when I realized I had forgot a tank top to wear under my dress shirt and desperately needed it or it would have been a major wardrobe malfunction.

Very frustrated I turned around thinking of the time that I was wasting, but absolutely had to. I got turned around and headed back east and was amazed at the sight I saw! The sun was already a ways up in the air but to the north of the sun's position was a bright rainbow prism in the sky. I couldn't help going to God in thanksgiving at that moment for allowing me to forget my tank top. Had I not, I never would have been able to witness such a beautiful picture. It makes me think about all the detours that God gives us in life. I've had many. Way too many! But to think about

what beautiful things I may have missed had those detours not happened, really makes me appreciate those detours in a new way. One specifically is going through a divorce, finding love again and having two beautiful more children to the two I already have! I remember thinking at more than one point, "God, what are you thinking??" But now I have these four amazing kids and a grandchild in my life, and my littles have this awesome big sister that helps with them at the drop

of a hat and loves them to the moon and back. What I'm trying to say is that when these detours happen and at first they can seem like something we're unprepared for in our lives, (and no, God didn't necessarily cause it, we usually do) God can use them to the glory of the Kingdom and make everything beautiful in spite of the detour. Think back on some of your detours. Think about what life might have been without them, and then reflect on how much better life is because of them.

Blessings, Pastor Natalie

## Presentation of Bibles

On September 9th, we presented 6 Bibles to students in our church. It is a tradition in the United Methodist Church that 3rd graders receive bibles, so we gave bibles to four 3rd graders Kaleb Drake, Emmett Gentry, Beau Hamilton and Truett McCord. We also gave bibles to Olivia and Caiden Smullins who are 4th and 5th graders but just began attending our church! We pray that the Word of God help you all grow in your faith!

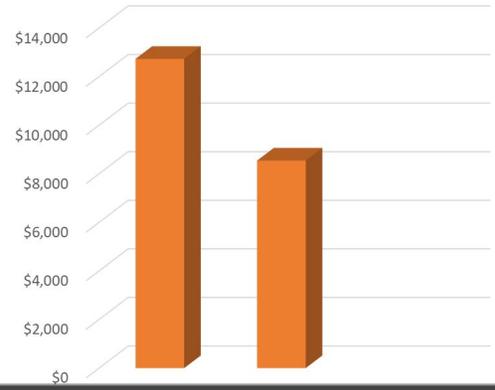

## New Members

On September 9th, we were so excited in worship to include 15 new members into our congregation! Transferring from other United Methodist Churches were Michelle Streit and Gary and Katherine Crook. Transferring from First Presbyterian Church in Superior was Gale and Nancy Mikkelson and Chad, Katrina and Zade Hansen. Transferring from Salem Lutheran in Superior was Bryan and Alicea Gentry and their oldest children Cody and Kaylee Mohler. Transferring from Church of Christ in Smith Center, Kansas was Carole Thompson. Joining by Profession of Faith was Shawnee Schoenrock and Walker Cool. We are so excited to have you all as a part of our church! May we as the church, welcome you and do all that we can to help you grown in your faith in Jesus Christ!

Jeff also discussed the need for a new air conditioning unit for the sanctuary. Bids have been taken. The Trustees decided to table the purchase until next spring since the need for air conditioning is over. The heating system could be used during the winter and the complete cooling and heating system could be replaced next spring. The bids received were \$14,000.00. Jeff also discussed having a mini-split unit installed in the back of the choir loft to help with temperature control in the Sanctuary. The mini-split unit would be at an additional cost.

UMW-Sue Rose reported the UMW Sunday will be held on Sunday, October 21, 2018. The group will not be selling the Teri Lynn Nut Products this year. Bill and Mary Hamilton are in charge of Harvest Festival.

SPPRC-Patty reported that 11 youth and 3 adults attended the Connect Event held at Camp Comeca. Patty and Jana attended a Prairie Rivers District Church Networking Session in Grand Island on 08-25-22018 in Grand Island. Youth and Children's Ministry pages are now available on Facebook. Bible studies are being planned. Patty reported there is a need for a Church 15 passenger van due to the various youth events, camps and meetings. The SPPRC is debating over whether to purchase a van or to rent one when it is needed. Someone would have to drive to Hastings or Grand Island to pick up the van and then return the van afterwards if the decision is made to rent a van. Patty is going to check the cost of insurance and who could drive the van. Pastor Natalie and Patty said they are both comfortable driving a van that size.

Meeting adjourned at 10:05 a.m.

Respectfully submitted ,

Jana Marr, Ad Council Secretary
